RESUME

CAREER OBJECTIVES

Experienced front-end developer with expertise in web development technologies such as HTML, CSS, JavaScript, and ReactJS. Proficient in mobile app development using Dart and Flutter. Seeking opportunities to apply my skills in creating user-friendly and responsive web and mobile applications while continually expanding my knowledge in a dynamic work environment.

HIGHLIGHTS OF ACADEMIC ACCOMPLISHMENTS

- Successfully finished a comprehensive Python and ReactJS course on Infosys SpringBoard

- Attending Seventh Sense Talent Solutions Placement Training Program.

- NaukariTak / Personal Project
  Feb 2023-Present, Work From Home

  NaukariTak is a convenient and effective way for students to improve their knowledge and skills in a particular subject. With this app, students can take quizzes and practice question sets, tracking their progress along the way. Whether they are looking to improve their grades, prepare for exams, or simply gain a deeper understanding of a topic, NaukariTak offers a fun and engaging way to achieve their goals.
